$19.99
SGN100

Covert MPEG4 DVR Recording System with Built-in Color Pinhole Surveillance Camera

The PI1000 is a complete video recording system that is both compact and discreet. A built-in color camera catches all the action and the video is recorded onto the included SD card. The best part is, this device looks like an ordinary motion sensor, allowing you to monitor any location discreetly. Simply mount it on the wall at your home or business and the PI1000 will capture high quality digital video. When you want to view your footage, just remove the SD card and watch it on your computer. Alternatively, you can watch it directly from the unit by connecting it to a TV/monitor with the included RCA cable. This portable DVR can be plugged into a wall outlet, but is also battery operable which allows you to place it virtually anywhere.

- Instantly watch what you've recorded by hooking up a TV, or take the SD card with you and watch it on any computer
- Set to record only when movement is detected and customize the motion detect sensitivity
- Footage is recorded on to the included 1GB SD card (SD card slot is located on the top of the unit)
- MPEG-4 Compression allows for hours of recording without sacrificing quality
- All-in-one security recording system is portable enough for virtually any application
- Runs up to 12hrs on lithium batteries or use the included AC adapter
- Quickly find your recorded footage by searching for the date and time it was recorded
- Set the times of the day that you want to record with scheduled recording

$199.99
PI1000

Wireless Portable Video Baby Monitor with 2.5" LCD and Night Vision Security Camera

- 2.4GHz wireless technology has a range of 300ft
- 2.5-inch TFT-LCD screen provides crisp images

Shipping cost is not refundable and returns must be shipped prepaid by the customer. All returns must be accompanied by a valid return authorization number (RMA) issued by us.

Lightning Fast Shipping

ShopTronics.com uses UPS carrier service exclusively for orders. Orders placed before 12:00pm (Eastern Time) may take up to 1 business day for processing before shipping out via UPS services. Delivery times are stated in business days, and do not include order processing times. UPS does not deliver on Saturdays, Sundays, or holidays. All orders must be shipped by designated carrier service (no will-call or pick-up) and deliveries will require signature for release. All shipping prices are quoted in U.S. dollars. C.O.D. orders cannot be accepted.

Full Manufacturer Direct Warranty

All products sold by ShopTronics.com come with full manufacturer warranty. If you have received a defective item or wish to obtain warranty service for a product sold by ShopTronics.com, please contact the manufacturer of the product directly. Please refer to warranty documentation included inside product packaging for complete details. Products returned to ShopTronics.com for warranty service must be shipped prepaid. ShopTronics.com will return serviced products under warranty prepaid to the customer.

*Prices are in U.S. Dollars and are subject to change
